G 6

Today I got to take a trip to the White House
it WAS amazing. I met the president he showed what his
job is like. I sure wouldn't be able to have his job. I would be
to hard to keep up with all the paper work.

Score Point: 2

This response is considered flawed. A low degree of proficiency in narrative writing skills is reflected. Although the writer remains focused on a trip to the White House, there is very little detail to describe what happened. In addition, there are serious errors in sentence structure.
